How does the SDF Rewards Frequent Parker Program work?

Members can use their existing RiverLink E-ZPass Transponder (hard style case) or request an **SDF Rewards Automated Pass**. Simply use your **SDF Rewards Automated Pass**, or a RiverLink E-ZPass Transponder to enter and exit the on-airport parking locations (excluding Valet Parking). Your **SDF Rewards Automated Pass**, or RiverLink E-ZPass Transponder, will automatically record your time in and out, charge the credit/debit card on file and credit your account with **SDF Rewards Frequent Parker Program** points that can be redeemed for FREE parking.

NOTE: All entry/exit lanes have an SDF Rewards Automated Pass reader. Do NOT pull a ticket.

Your **SDF Rewards Automated Pass**, or RiverLink E-ZPass Transponder should be mounted inside your vehicle, in the center of your windshield, below the rearview mirror. If you have tint on your windshield, please make sure the pass is below the tint. *For additional instructions on how to mount your pass, please refer to the "Automated Pass Installation Instructions" found at SDFrewards.com.*

The system will calculate your time in and out and the credit card on file will automatically be charged for the parking stay. Your **SDF Rewards** account will also be credited with points from your stay. Points will appear in your account within one day of your parking exit.

Members are awarded one point per dollar spent for parking in any of the on-airport parking locations (excluding Valet Parking) at Louisville Muhammad Ali International Airport. When you are ready to redeem for FREE parking, simply login to your **SDF Rewards** account, access the Redemptions Tab and follow the instructions to redeem your points on your next visit to SDF.

The chart below illustrates how many points are needed for one FREE day of parking in each parking location.

Location	Points Needed Per Day
Parking Garage	130
Surface Parking	90
Express Shuttle Parking (<i>TEMPORARILY CLOSED</i>)	80
Premier Parking (<i>TEMPORARILY CLOSED</i>)	80

Valet Parking is currently excluded.

How do I start earning points for SDF Rewards?

SDF Rewards members using their RiverLink E-ZPass Transponder or the **SDF Rewards Automated Pass** will automatically earn one point for every dollar spent in the on-airport parking locations (excluding Valet Parking).

PLEASE ALLOW 1-2 BUSINESS DAYS FOR YOUR RIVERLINK E-ZPASS TRANSPONDER TO BE ACTIVATED AND READY FOR USE.

Can I have more than one credit or debit card on file?

Yes, you may have as many credit or debit cards on file as you prefer. It is your responsibility to make sure that the proper credit or debit card on file is selected as your default to be charged at the time of exit.

Can my SDF Rewards Automated Pass be mailed to a different address than what I entered when I registered?

The address listed on Address Line 1 should be your credit card billing address. If the billing address is different from the location you wish your pass to be mailed to, please call the **SDF Rewards** Administration at **877-735-9280** (Monday – Friday, 8am-5pm EDT/EST), or send an email to: info@SDFrewards.com.

I have been parking at Louisville Muhammad Ali International Airport for a long time. Can I receive credit for those past stays?

Unfortunately, no. **SDF Rewards** is a new program. Points can only be accumulated from the day a member enrolls in the **SDF Rewards** program. Retroactive points will not be given.

How do I redeem points for FREE parking?

First, login to your SDF Rewards account and select the “Redemptions” tab.

Then checkmark the box “Redeem Points on next visit”. You will then click the gray box that says, “Create Redemption”. The system will default by showing the date that you selected the redemption. The date and time will adjust after you exit the parking location.

Note: The system will use the total available points in your account and adjust how many are used based on the location you park in. If you park for more days than you have points, the balance will be charged to your credit or debit card on file. You will receive points for the cash portion of this transaction.

Upon arriving at the airport, simply enter and exit your preferred parking location, with your **SDF Rewards** Automated Pass, or RiverLink E-ZPass Transponder, to have the points credit applied to your account. Your credit card will not be charged for the day(s) you have redeemed for FREE parking. **There are no certificates to present.** The transaction will be handled through the automated system.

Please Note: If you are already parked and you forgot to place the redemption, you can do so after you have entered the parking lot. However, the redemption must be placed prior to exiting the parking lot. If you return later than the date selected, the system will automatically charge the credit card on file for the difference.

SDF Rewards points will not be earned on days when FREE parking redemptions are used. Points are only earned on days of paid parking.

A FREE parking redemption does **not** reserve a space in any of the airport's on-airport parking lots. If you arrive and your chosen parking location is full, you must park in an alternate on-airport parking location.

How do I cancel a parking redemption or view previous parking redemptions made?

First, login to your **SDF Rewards** account and select “Redemptions”. Here you can view your redemption activity. To cancel a pending redemption, click the ‘Cancel Pending Redemptions’ checkbox, then, select the ‘Cancel Redemption’ button.

I am having trouble logging in to my account. Who can I contact for help?

If you are unable to login to your account due to a forgotten username or password, please try the following:

1. Username– Your username is the registered email address used when you set up your account. If you have forgotten your registered email address and need it sent to you, simply send an email to info@SDFrewards.com with your request and first and last name and a representative will email you with the email address on file.
2. Password – Passwords are case sensitive. If you have forgotten your password, use the “Forgot Password” function on the login screen to have it emailed to you.

If you are still having trouble logging in using the correct username and password, close out of the page and enter the login page through www.SDFrewards.com (do not use a bookmark to re-access the page). By doing this you will clear out any extra characters that may have been entered into the login fields. These extra characters (like spaces) happen from copying and pasting that we can’t always see, but the computer recognizes. You can also put your cursor in the username email or password fields and hit the delete button a few times to make sure it has been completely cleared.

Can I share my SDF Rewards account?

Yes. You will be responsible for any parking fees from the use of the **SDF Rewards** Automated Pass or RiverLink E-ZPass Transponder that is associated with your account. Only one **SDF Rewards** Automated Pass or RiverLink E-ZPass Transponder can be used at a time to enter and exit the parking location.

Can I transfer my points to someone else?

No, points are not transferrable.

How many SDF Rewards Automated Passes or RiverLink E-ZPass Transponders can I have in my account?

You may have up to four (4) passes on your account. **PLEASE NOTE:** Only one **SDF Rewards** Automated Pass or RiverLink E-ZPass Transponder can be used at a time to enter and exit the parking location.
